**Radiological Data Review Fact Sheet**

As a part of its continuing efforts to reach out to the community, the Navy has prepared the attached fact sheet on the review of radiological data underway at Hunters Point Naval Shipyard (HPNS). It will also be available on the Navy website at [www.bracpmo.navy.mil](http://www.bracpmo.navy.mil).

To receive a hard copy of this fact sheet by US Mail, or if you have any questions about the Navy's cleanup at HPNS, please reply to this email or leave a message on the HPNS Info Line at (415) 295-4742.

**Community Meeting Open House Reminder**

The Navy invites you to attend the upcoming HPNS Community Meeting Open House. At the meeting, there will be multiple poster displays and subject matter experts to answer questions and discuss radiological cleanup at HPNS. Members of the cleanup team, including Navy and regulatory agency representatives, will be available to answer questions and provide information on the overall cleanup program at HPNS. In addition, a technical expert will be available to answer your questions on radiological health and safety (please see "Technical Expert Available", below). A copy of the meeting flyer is attached for your reference.

**Meeting Topic:** Radiological Cleanup at Hunters Point Naval Shipyard

**Meeting Date:** Wednesday, February 8, 2017

**Meeting Time:** Open House from 5:30 pm - 7:30 pm

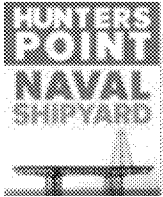

**Meeting Location:** The Storehouse, 451 Galvez Avenue, San Francisco, CA 94124 (just outside of the HPNS main gate)

**Technical Expert Available**

Dr. Kathryn Higley from Oregon State University is a nationally respected expert in radiological health and safety. Dr. Higley will be available at the February 8, 2017 Community Meeting Open House as a Community Technical Liaison to discuss the potential health effects of radiation, as well as measures taken to ensure public safety.

Dr. Higley will be available before, during, and after the meeting for you to ask any questions or express any concerns that you may have about radiological health and safety, in general, or with regard to the Navy's cleanup activities at HPNS. Dr. Higley may be reached by phone at (541) 737-0675 or by email at [kathryn.higley@oregonstate.edu](mailto:kathryn.higley@oregonstate.edu).

*If you would like to be removed from this mailing list, please reply to this email with "REMOVE" in the subject line.*
